SHA COSMETICS

Perfect glossy skin!!

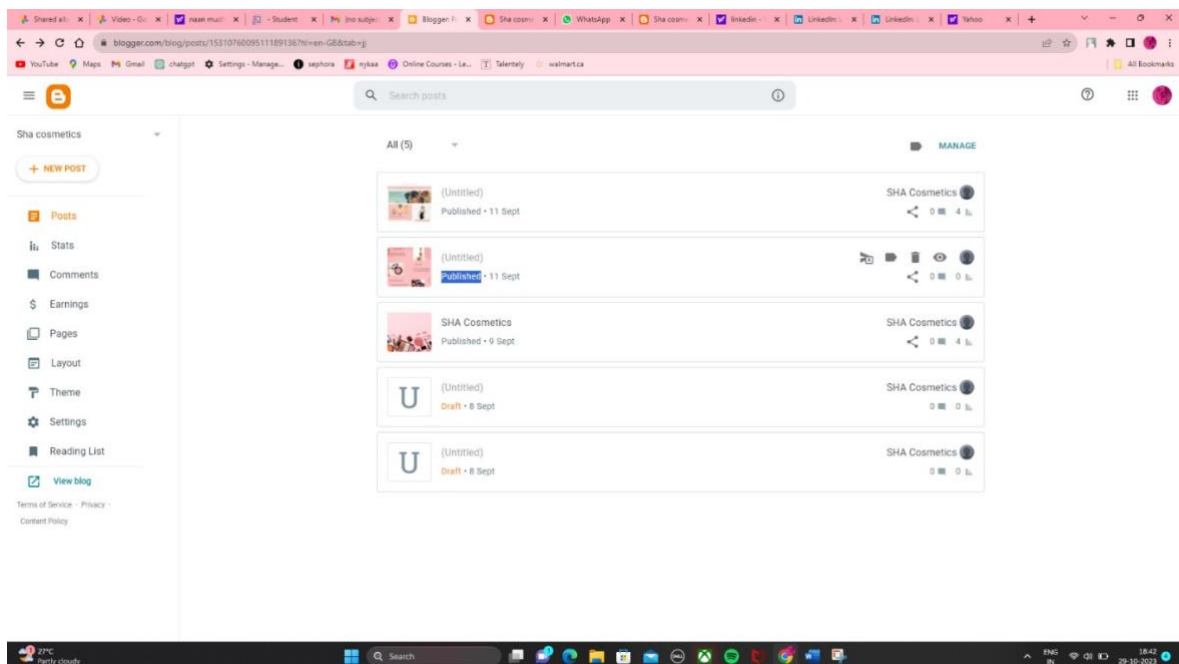

Introduction

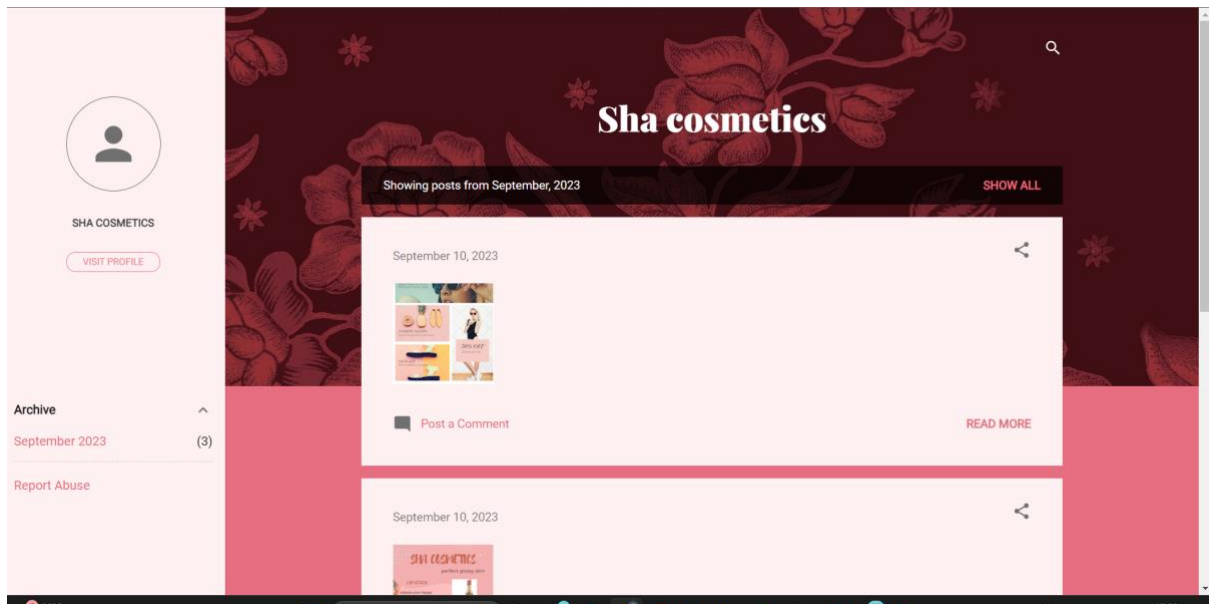

Welcome to the world of beauty and self-expression, where every brushstroke and every shade hold the power to transform not just your appearance but also your confidence. Today, we are thrilled to introduce you to **SHA Cosmetics**, a brand dedicated to enhancing your natural beauty and empowering you to shine like never before.

SHA's Story

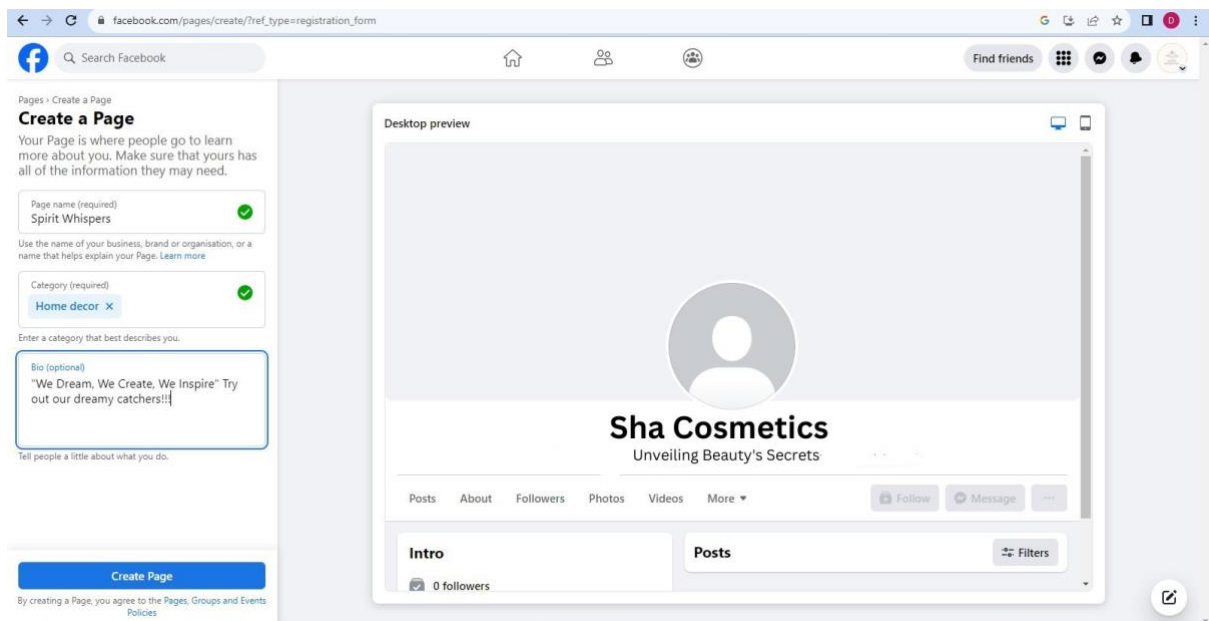

At **SHA Cosmetics**, we believe that makeup is not just about concealing imperfections; it's about celebrating your unique features and expressing your individuality. Our journey began with a vision to create cosmetics that inspire and empower women and men worldwide. We are committed to delivering high-quality products that align with the latest beauty trends, while also staying true to our values of inclusivity, sustainability, and cruelty-free practices.

GOOGLE ANALYTIC MEASUREMENT ID:

Google analytic measurement ID: G-4TQ3TNNX0V

The screenshot shows the 'Web stream details' page in Google Analytics. At the top, a yellow warning banner states: 'Data collection isn't active for your website. If you installed tags more than 48 hours ago, make sure that they are set up correctly.' with a 'View tag instructions' button. Below this, the 'Stream details' section contains a table with the following information:

STREAM NAME	STREAM URL	STREAM ID	MEASUREMENT ID
Sha Cosmetics	https://sushmoni.blogspot.com/	6330763120	G-4TQ3TNNX0V

Below the stream details, the 'Events' section is visible. It includes 'Enhanced measurement' which is turned on, with a description: 'Automatically measure interactions and content on your sites in addition to standard page view measurement. Data from on-page elements such as links and embedded videos may be collected with relevant events. You must ensure that no personally identifiable information will be sent to Google. [Learn more](#)'. Under 'Measuring', it lists 'Page views', 'Scrolls', and 'Outbound clicks', with a '+ 4 more' link. Other options like 'Modify events' and 'Create custom events' are also present with right-pointing arrows. At the bottom, 'Measurement Protocol API secrets' is partially visible.
